OTHER RELEVANT ACHIEVEMENTS

CAMBRIDGE ESOL LEVEL 2 CERTIFICATE IN ESOL INTERNATIONAL (UNIVERSITY OF CAMBRIDGE)

Proficiency certificate of the English language, emitted by the University of Cambridge, guaranteeing C1 level's mastery of the idiom.

WORK EXPERIENCE

Aug 2018 – Aug 2019 **Administrative assistant**

IADES – Instituto Americano de Desenvolvimento – Brasilia, Brazil

Description:

- ✓ Worked at many departments at the company, especially, I performed roles to assist the administrative, legal, and pedagogical sectors;
- ✓ Improved the rate and the quality of our work at the pedagogical sector by adopting a continuous productivity control, especially regarding our set goals and the documents we had to work with;
- ✓ Was chosen to aid the management of juridical demands, even with limited prior knowledge about the area, and we were able to revert, with efficiency, this critical situation;
- ✓ Lowered the exam questions cancellation index with my sustained control of the intellectual rights and legal adherence of the documents which I administered.

Highlight: Created a website with a form for the company, by my own initiative – using my financial resources –, when I noticed they lacked this resource, since they had to, until that day, use Google Forms interface to do what they desired.

Jan 2012 - May 2013 **Translator**

Demand Studios – Uberlandia, Brazil

Description:

- ✓ Was a member of the translator team, in which I would surpass, at least by 50%, the weekly translation goal, so I had an average of 30 translated texts per week;
- ✓ Translated texts, from many genres, from English to Portuguese which were further published online at the eHow portal;
- ✓ Worked alongside the proofreader team, so we could be able to improve the quality of the texts which would be published online.
